

Valid from 1 January 2012

The premium is age-related. The age-related premium is applied at the first coming premium payment. If you have reached the age of 60 at the time of application, the premium will be increased. The insurance plan must be taken out before you reach the age of 80. A previous medical history may cause an increased premium, exclusion of cover or, in a few particular cases, a rejection of the insurance.

Your policy premium may be subject to Insurance Premium Tax based on your country of residence. If this is the case, the amount of any taxes, levies or charges will be shown on your premium notice. For more detailed information on any taxes in your country of residence, please refer to ihi Bupa or your local representative.
